On June 10, the 2022 Graduation Ceremony was grandly held at the Liulin campus and Guanghua campus. Party Secretary Zhao Dewu, President Zhuo Zhi, Deputy Party Secretary Ma Xiao, and Zeng Daorong, Deputy Party Secretary and Secretary of the Disciplinary Committee Fan Weihong, Standing Member of Party Committee and Vice President Ou Bing, Yin Qingshuang, Shi Daimin, Zhang Bangfu, Li Yongqiang, the heads of relevant academic units and functional offices, faculty representatives, parents representatives, and graduates attended the ceremony.

With the national anthem, the five-star red flag and the school flag of SWUFE were raised, and the graduation ceremony officially began.

When hosting the ceremony, Zhao Dewu the recalled the paths taken by the university to pursue excellence and serve the country through education over the past 97 years. He told the graduates, "no matter where you are, your alma mater will always be your harbor and offer you strong support!" Zhuo Zhi expressed a farewell message to the class of 2022 with the title "Following the Light and Going Forward".

Zheng Songyi, a representative of the graduates, made a speech and shared with the audience the days of the 2022 graduates studying at SWUFE. He thanked faculties for their guidance and promised that he would always encourage himself with the SWUFE's motto of making unremitting efforts to advance the well-being of the public, and bravely undertaking the great task of national rejuvenation.

Graduates raised their right fists and vowed: We will inherit and carry forward the spirit of SWUFE, and never forget the original aspiration, defend the truth, bear responsibility bravely, put the interests of the country first, and contribute to the great rejuvenation of the Chinese nation and the progress of human civilization.

The Class of 2022 of SWUFE is about to embark on a new journey and unveil a new chapter of their lives.

On June 2, the 2022 International Workshop on Financial Innovation and the 1st award ceremony of Financial Innovation, hosted by the editorial department of Financial Innovation of SWUFE, were held via internet. Experts and scholars from China, United States, France, India, Pakistan, Turkey, Lebanon, and other countries gathered together to discuss related topics such as blockchain, Metaverse, fintech, and the prevention and control of covid-19. Professor Zhuo Zhi, President of SWUFE, and Professor Yin Qingshuang, Vice President of SWUFE, attended this event.

Zhuo Zhi mentioned a series of achievements under the guidance of the SWUFE's strategy of "building new liberal arts, leading new finance and economics, and creating new advantages". Financial Innovation, as the first international journal of SWUFE, is an important pillar for the SWUFE's "new finance and economics" strategy and the "double first-class" construction. Zhuo Zhi fully acknowledged the progress made by the journal and put forward ardent expectations for its future development.

In the keynote speech session, Noyan Ilk, associate professor from Florida State University gave a speech titled "The Transaction Fee Market of Cryptocurrency"; Professor Zhiqiang Zheng from the University of Texas at Dallas introduced the role of traders' analytical ability in improving information transparency and market efficiency in the blockchain market.

The International Workshop on Financial Innovation has been held for 8 consecutive years since 2015. The workshop has provided a high-end academic exchange platform for domestic and foreign experts and scholars, and played an important role in improving the academic reputation of SWUFE and building a leading discourse system for financial academic studies.
