SWUFE Leader Led a Delegation to Visit Singapore and Malaysia

From March 7th to 13th, Sun Dianming, Deputy Secretary of the SWUFE Party Committee, led a delegation to Singapore and Malaysia to attend conferences and conduct work visits. In Singapore, the delegation participated in the Forum on “Education Reform in the Digital Era and Global Competitiveness” at Nanyang Technological University, where Sun Dianming delivered a keynote speech on the challenges and opportunities in higher economic and financial education in the digital economy era. They also visited Nanyang Technological University, National University of Singapore, and Singapore Management University, discussing educational reforms, discipline construction, and research cooperation, and inviting leaders to SWUFE's centennial celebration.

In Malaysia, the delegation visited the University of Malaya and Xiamen University Malaysia. At the University of Malaya, they engaged in discussions on digital education reforms and international talent cultivation. At Xiamen University Malaysia, they met with university leaders to discuss overseas education and potential cooperation. This visit highlights SWUFE's dedication to enhancing international educational exchanges, fostering innovation, and contributing to global educational development.

Delegation from City University of Macau Visit Southwestern University of Finance and Economics

On March 8th, Vice President Ye Guiping and a delegation from the City University of Macau visited the Southwestern University of Finance and Economics (SWUFE). They were welcomed by SWUFE Vice President Li Zhisheng, who introduced SWUFE's history, international collaborations, and the "New Finance and Economics" strategy, emphasizing initiatives like the "Belt and Road" and the establishment of research centers on Africa and the Bay of Bengal. Both universities expressed a strong desire for enhanced cooperation in talent cultivation and academic research, marking the visit as the beginning of a strengthened partnership aimed at contributing to China's modernization and the development of the Guangdong-Hong Kong-Macao Greater Bay Area.

SWUFE Successfully Hosts 2024 Study Abroad Fair

On March 26th, the 2024 Study Abroad Fair at Southwestern University of Finance and Economics (SWUFE) was held at the Liulin Gymnasium, attracting around 1,600 students. Vice President Li Zhisheng delivered the opening speech at the event, which featured 44 booths and over 200 programs from 25 universities and institutions across 11 countries and regions, including top-ranked universities and institutions accredited by EQUIS, AACSB, and AMBA. Attendees received information on a variety of study abroad opportunities, including undergraduate and graduate programs, exchange programs, and short-term study tours. Since its launch in 2014, the fair has become SWUFE's largest platform for international exchange, offering students valuable resources and guidance for studying abroad.
